Example of free-standing plaque displaying both front and back. Brass stand-up post is supplied with each plaque.

Laser Engraved Door Plaque without Clock

Made from solid American Walnut. They create intrigue when leaving their doors closed so only part of the engraving, clock movement or medallion can be viewed. The stunning effect is complete when the doors are then opened, displaying all the different personalization techniques. They are designed to either hang on a wall or stand on a desk. Also available as award clocks with the engraving plate (CL60B or CL60E) or without plates (CL60B-O or CL60E-O).

Customize these blank door plaques by Laser Engraving into wood, through Gold Foil or adding plaque plates. Create unique and creative awards.
