STARS SHINE AT PDU!

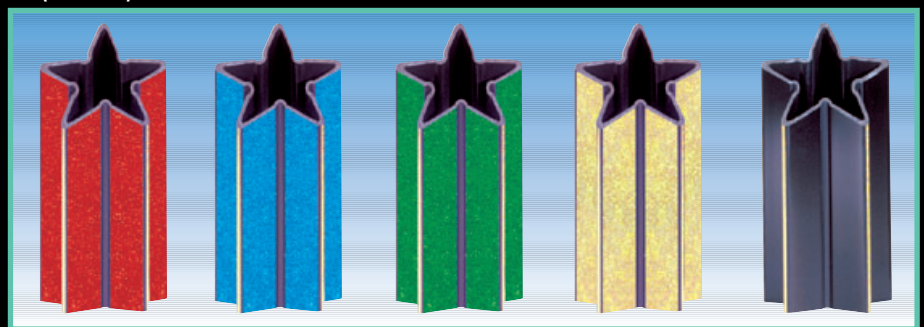

PDU expands its Star Column family with its new angled Star Column Riser and Star Mylar Cap. This 6" column design form is cut at a 45° diagonal emphasizing the vertical line of the column, producing a 'speed line' effect from the base to the star cap. The cap checks the column and accepts either a half-ball plaque mount or a 2" mylar to make a family of awards appropriate for a wide range of recognition events. The Star Column Riser is available in Red, Blue, Green, Gold and Gold/Black finishes.
